

# Faces of a Generation

Words and Music by **Ben Clapton**

**Key – Am-A**

*Intro*  
**Am**

*Verse 1*

**Am**  
So much suffering in the world today  
Young people getting pulled in every which  
way  
TV and magazines having their say  
Some new lie for every new day

Voices yelling at them “Be this, do that”  
“You’re too skinny and you’re too fat”  
“Fit in this dress, gotta take of that hat”  
Well, I’ve had enough of that.

*Pre Chorus*

**Am**                    **C/G**  
I see the faces of a generation  
**F**                    **Am**  
struggling to find their voice.  
**Am**                    **C/G**  
I long to hear from a new creation  
**F**                    **Esus<sup>4</sup> E**  
Singing out a brand new verse

*Chorus*

**A**  
I am who you made me to be  
**E**  
So I will jump and sing and shout and dance  
**F#m**  
Cause I am who you made me to be  
**E**  
So I will jump and sing and shout  
**A**  
I am who you made me to be  
**E**  
So I will jump and sing and shout and dance  
**F#m**  
Cause I am who you made me to be  
**E**                    (to verse) **Am**  
So I will jump and sing and shout and dance  
(to instrumental/chorus repeat) **A**

*Verse 2*

**Am**  
So many choices fighting for traction  
But their worth is only a fraction  
Of the voice that tells me that I am loved  
And out of that love I cannot be shoved  
  
Depression, disorder, it’s all out of order  
It’s not the way you made it to be  
But trusting in you, I can go past the border  
Find the love that sets me free.
